

Report Content

Based on MLCP Methodology our Physician Life Care Planners will produce a Life Care Plan that is individualized, based on the Plaintiff's history and medical conditions. It is constructed as a sound, solid, systematic document as outlined by the Report Content, allowing the Attorneys using this LCP to become familiar with our format.

1. **Demographics and Report Type**
2. **Synopsis**
3. **Credentials**
4. **Medical Records Reviewed**
5. **Treating Doctor's Diagnosis**
